

Perihal : Surat Permohonan ESN sebagai solusi perbukuan karya pendidikan

Assalamualaikum,

Saya Rahmat Putra Yudha dari Pontianak, saat ini menjabat di beberapa organisasi nasional dan internasional. Saya yang ingin menyampaikan inovasi dalam bidang pendidikan yang memerlukan dukungan pemerintah untuk karya inovasi ini berguna di Indonesia karena permasalahan banyak dosen yang diwajibkan untuk membuat buku dan publikasi, keterbatasan ISBN yang selama ini di rasakan menjadi kendala. Inovasi penomoran unik ini bernama ESN - educational Serial Book number (esn-international.com) sudah digunakan oleh banyak penerbit di Indonesia. karena ini program sosial dan gratis maka memerlukan banyak dukungan kebijakan oleh pemerintah.

Surat saya sudah saya kirimkan ke berbagai kementerian namun belum ada tanggapan sama sekali. saya tetap optimis dapat di gunakan di Indonesia walau banyak tawaran untuk di mulai di gunakan di Eropa. Saya berharap dapat bermanfaat dan Menjadi inovasi yang bermanfaat membawa nama Indonesia di kancah internasional. untuk itu saya meminta dukungan kebijakan di dunia pendidikan dan perbukuan.

Salam Hormat,
salam Literasi

[Under the contract of ESAA Project ID2021048 in 2021]

Letter of Agreement for ESBN - Educational Serial Book Number Product Development

To Whom it may concern

We, the undersigned, hereby enter into this Letter of Agreement to collectively develop the ESBN - Educational Serial Book Number product under the collaborative efforts of the following organizations:

1. Oceans-Network EU
2. Ikatan Guru LPDP
3. Virtual Education Academy
4. Penerbit PGRI Provinsi Kalimantan Barat (Kalbar)
5. Penerbit Yudha English Gallery
6. Indonesian Literacy Association
7. Mata Garuda LPDP Kalbar

The purpose of developing ESBN is to establish a specialized numbering system for educational books, known as the Educational Serial Book Number (ESBN), published by our respective organizations. The ESBN is initiated by *Rahmat Putra Yudha* who develops the Numeric system.

The ESBN product aims to uniquely identify and manage educational books published by our organizations. By implementing this system, we aim to streamline the accessibility and traceability of educational resources, supporting students, educators, and the public in accessing relevant educational content.

Through the ESBN, we envision simplifying the search and utilization of educational books while fostering transparency and accountability in the publication and distribution process. This initiative aligns with our mission to enhance the quality of education in Indonesia and ensure wider availability of valuable educational materials.

Each participating organization agrees to collaborate actively in the development and implementation of ESBN. We will share knowledge, expertise, and resources to establish a seamless and efficient numbering system.

We commit to maintaining strict confidentiality concerning all project-related information and ensuring that no data is disclosed to unauthorized parties. Moreover, we will comply with all relevant copyright and data protection regulations.

We understand the dedication and efforts required for successful collaboration. Nevertheless, we firmly believe that our joint commitment will lead to achieving this vital milestone and significantly contribute to the advancement of education in Indonesia.

We enter into this agreement with utmost sincerity and accountability. We are optimistic that this partnership will progress smoothly and create substantial positive impacts on the education sector.

Sincerely,

Coordinator of ESAA PROJECT - ID 2021048
